

Beanstalk Skills Academy

Beanstalk Skills Academy, a Community Interest Company based in Lancashire, is dedicated to making a positive impact by creating meaningful opportunities for both people and businesses. We believe in the transformative power of long-term employment for the well-being of communities and people.

“Our mission is to provide practical learning and support tailored to diverse needs. We offer business support and mentoring to help enterprises grow and achieve sustainability, as well as employment and skills training to help people secure and stay in meaningful employment.”

Beanstalk’s support will be focused on overcoming challenges with:

- Self-employment
- Employability
- Mental health
- Confidence
- Work-life balance
- Stress management / burnout
- Nutrition and wellness
- Social support / reducing feelings of isolation
- Societal barriers
- Menopause at work
- Managing migraines in the workplace
