

## Lancashire Community Finance

Lancashire Community Finance is a specialist financial inclusion support organisation. Since 2004, we have supported thousands of Preston residents to overcome challenges and move forward with their lives. The support we provide is personalised, considers the bigger picture, and respects each person's own journey. We have a dedicated team of experienced and friendly advisors who take the time to understand your concerns and help you plan a path forward.

We can help you to:

- Deal with debt and money worries
- Apply for the benefits you are entitled to (including in-work benefits) as well as advocacy and representation at appeal stages
- Address housing problems
- Access crisis support including grants, energy vouchers and food parcels
- Find the right employment and training opportunities for you
- Make the most of your money

You can speak to us in person at our office in central Preston, in a community space near you, or by phone Monday to Friday 9 a.m. to 5 p.m.
