

Preston North End Community & Education Trust

Preston North End Community and Education Trust [PNECET] is the official charity of Preston North End Football Club. Utilising the power of Preston North End Football Club, PNECET health and wellbeing team will inspire change, improve health and enhance lives. We deliver programmes that equip people with the skills, confidence and knowledge to achieve their aspirations and tackle the needs of our community.

PNECET is one of the Preston partners delivering WorkWell. This new early-intervention service for work and health, will offer Individuals comprehensive one to one support to address health-related challenges to employment. By developing a deep understanding of the needs and aspirations of people who are at risk of leaving work or have already stopped working due to health conditions, the WorkWell coach will help individuals regain confidence and independence in managing their work and health, and offer practical support and connections into health and wellbeing services in the local community.

PNE's WorkWell contact is Munira Umarji:
