

Maximising your volunteers' experience

Developed by Buddle, this workshop explores how to cultivate a positive volunteering culture, focusing on the '3 Rs' – recruiting, retaining, and rewarding volunteers.

The need

This workshop focuses on building a strong and supportive volunteering culture within your organisation. Learners will explore strategies for enhancing the volunteer experience, from recruiting and retaining volunteers to recognising and rewarding their contributions.

Through reflection and discussion, learners will assess their organisation's current volunteer needs, identify key roles, and develop practical plans for engaging and sustaining volunteers effectively. By the end of the session, learners will leave with actionable steps to strengthen their organisation's volunteer network and

ensure a positive, rewarding experience for all involved.

Key features

- Analyse the club or organisation's participant activities to identify roles required against the club or organisation's current volunteers.
- Design a way to recruit the people the club or organisation needs.
- Design a way to retain and support the club or organisation's volunteers.
