

## Your cultures and values

Developed by Buddle, this workshop explores how organisational values shape culture and influence success.

### The need

This workshop explores the fundamental role of values in shaping an organisation's culture and sustainability.

Learners will examine best practices for identifying and developing meaningful values, understand how these principles influence organisational dynamics, and create strategies for fostering open discussions around values and culture. Through interactive exercises, learners will reflect on their organisation's current culture, assess how well their values are embedded, and develop actionable ideas for co-creating a strong, inclusive

environment that supports long-term success.

### Key features

- Analyse and/or know how to generate your club or organisation's values.
- Consider how values influence the club or organisation's culture.
- Plan how you can co-create opportunities to discuss your club or organisation's values and culture.
